List family who are members of the Grass Lake Sportsman's Club:

Please describe your extra-curricular and community activities.

Please answer the following questions. If you need more space, attach as a supplement to this application.

- Why have you chosen your field of study?
- What career path do you plan to pursue, following your education?
- What have you done financially to help yourself in attaining your career goals?
- What are your future plans for assisting in furthering your education?

Please submit a 500-word essay on how your personal and/or career goals pertain to the Grass Lake Sportsman's Club mission. Describe the importance of educating citizens on wildlife and environmental conservation.

MISSION STATEMENT, PURPOSE, AND OBJECTIVES

A.) To further and advance the cause of the environment and conservation in all its phases, and to perpetuate and conserve the fish, game, mineral, air, water, forest and land resources of the state, to so manage the use of all natural resources that this generation and posterity will receive the maximum benefit from the same.

B.) To promote and encourage the scientific management and intelligent sustained use of the above resources, recognizing as a valid management tool the harvest and use of surplus wildlife and other renewable resources.

C.) To promote conservation education programs designated to educate citizens in the cause of natural resources conservation and environmental protection and enhancement, creating in them awareness and understanding of the importance of this aim, equipping them to work knowledgeably and effectively toward this achievement, and through rational discussion to attempt resolution of all issues affecting our environment.

D.) To protect and defend the right of our citizens to own, keep and bear arms.

E.) To promote enjoyment of outdoor activities.
